PROFESSIONAL SUMMARY

Massachusetts-licensed CPA with 5+ years of accounting and audit experience, including nearly four years at EY across asset management and financial instruments audits. Experience includes financial reporting review, account reconciliations, internal control testing, and coordinating concurrent audit workstreams, complemented by earlier hands-on experience with journal entries and month-end and year-end close support.

EXPERIENCE

Ernst & Young *Boston, MA*

Audit Senior – Transactional & Technical Topics (T3), Financial Instruments Oct 2024 – Mar 2026

- Performed audit procedures over complex financial instruments and investment accounts, including derivatives and debt securities classified as trading, available-for-sale (AFS), and held-to-maturity (HTM); evaluated supporting documentation, presentation, and disclosures under Derivatives and Hedging (ASC 815) and Fair Value Measurement (ASC 820).
- Performed risk-based valuation assessments across investment portfolios, considering security characteristics, holding periods, and underlying asset composition to identify higher-risk holdings requiring additional audit procedures.
- Reviewed valuation specialist analyses for selected complex financial instruments, assessing valuation methodologies and key pricing inputs to determine whether independently estimated fair values supported client-reported values.
- Tested SOX and other internal controls and risk-management frameworks, identified control gaps, and aligned audit procedures with regulatory and PCAOB standards.
- Led day-to-day audit execution across client stakeholders and EY delivery teams in multiple locations, reviewed workpapers, resolved audit issues, and maintained quality standards.
- Managed FI audit budgets, hour forecasts, staffing, and peak-season workload planning with managers and senior managers.

Audit Senior (promoted from Audit Staff) – FSO Wealth & Asset Management (WAM) May 2022 – Oct 2024

- Progressed from Audit Staff supporting a 100+ fund program to Audit Senior in-charge for approximately 20 mutual funds in a 50+ fund program; coordinated concurrent workstreams, reviewed staff work, and resolved open items across reporting deadlines.
- Reviewed third-party administrator-prepared NAV packages and financial statement supporting schedules; recalculated NAV and reconciled cash, investment positions, and market values, investigating discrepancies and open items.
- Performed custody, pricing, and related financial statement disclosure testing for investment holdings, including selected settled and unsettled term-loan positions.
- Performed audit procedures over mutual fund subscriptions, redemptions, and distributions, as well as SEC reporting.

MaloneBailey, LLP *Houston, TX*

Audit Associate Jul 2021 – Apr 2022

- Performed audit and interim review procedures, evaluating transactions, records, and supporting documentation to assess whether financial statements were presented fairly.
- Executed audit procedures within professional standards, timelines, and budgets; collaborated with senior team members to resolve issues and provide client status updates.

Liu Inc. CPA *Plymouth, MN*

Senior Accountant Oct 2018 – Jun 2021

- Managed day-to-day accounting activities for one company, including accounts payable and receivable, bank reconciliations, adjusting journal entries, and month-end and year-end close support, using QuickBooks Online.
- Prepared routine financial reports, researched accounting and tax matters for startups and investments, and supervised and trained junior staff on client accounting and reconciliation procedures.

TECHNICAL SKILLS

Accounting: Account reconciliations; adjusting journal entries; accounts payable and receivable; month-end and year-end close support; financial reporting; U.S. GAAP.
Systems & Tools: QuickBooks Online; Microsoft Excel (PivotTables, XLOOKUP).
Investment & Audit: Cash and investment reconciliations; financial statement review; SOX and internal controls; debt security valuation; ASC 815; ASC 820.
