PROFESSIONAL SUMMARY

Accounting and auditing professional with more than five years of experience in fund audits, financial statement reviews, and specialized audits of financial instruments, including pension-related investments and derivatives. Passed all CPA examinations; licensure is pending processing by the Massachusetts State Board of Accountancy. Proficient in U.S. GAAP, ASC 815, ASC 820, internal controls, and financial instrument valuation, with industry experience spanning mutual funds, insurance, commercial banking, and technology.

EXPERIENCE

Ernst & Young

Audit Senior

May 2022 – March 2026

Boston, MA

Transactional & Technical Topics (T3) – Financial Instruments (FI) Team

October 2024 – March 2026

- Specialized in audits of financial instruments, including pension-related investments and derivatives, ensuring compliance with ASC 815 (Derivatives and Hedging), ASC 820 (Fair Value Measurement), and related technical guidance.
- Tested internal controls and risk-management frameworks, identified control gaps, and aligned audit procedures with regulatory and PCAOB standards.
- Provided assurance and technical insights to clients in the insurance, commercial banking, and technology sectors, focusing on complex valuations and disclosures.
- Mentored EY Global Delivery Services and Service Delivery Center colleagues across multiple locations, reviewed their workpapers, and ensured compliance with quality standards.
- Led budget tracking and hour forecasting for the FI audit team, partnering with managers and senior managers on staffing and workload planning to maintain adequate peak-season coverage and improve project transparency.

Financial Services Organization (FSO) – Wealth & Asset Management (WAM) Team

May 2022 – October 2024

- Led and executed audit fieldwork for multiple fund clients, ensuring compliance with financial reporting standards and regulatory requirements.
- Reviewed and reperformed net asset value calculations and financial statement audit procedures for mutual funds, including detailed reconciliations of cash, positions, and market values and investigation of variances.
- Managed fund audit workflows and documented findings, particularly in higher-risk areas, strengthening audit quality and delivery.
- Maintained professional client relationships throughout fund audit engagements while balancing operational requirements with client needs.
- Monitored fund-industry developments and leading practices, shared relevant insights, and mentored junior staff on fund audit methodology and procedures.

MaloneBailey, LLP

Audit Associate

July 2021 – April 2022

Houston, TX

- Performed audit and interim review procedures, evaluating transactions, records, and supporting documentation to assess whether financial statements were presented fairly.
- Executed audit procedures in accordance with firm methodology, professional standards, engagement timelines, and budgets.
- Collaborated with senior team members to resolve audit issues and provided regular status updates.
- Built and maintained effective client relationships to support successful engagements and client satisfaction.

Liu Inc.

Senior Accountant

October 2018 – June 2021

Plymouth, MN

- Managed daily accounting operations, account reconciliations, and financial reporting in accordance with U.S. GAAP.
- Led year-end close processes, including balance sheet reconciliations and adjusting journal entries.
- Supervised and trained new staff, delegated assignments, and monitored adherence to established procedures.
- Conducted ad hoc financial analyses, researched tax treatments for startups and investments, and supported applications for COVID-19 relief programs, including EIDL, PPP, and the Restaurant Revitalization Fund.

EDUCATION

Master of Accountancy, Carlson School of Management, University of Minnesota

May 2018

Relevant coursework: Internal Controls and COSO; SEC and the Securities Acts of 1933 and 1934; Financial Modeling; Consolidations and Advanced Financial Reporting.

Bachelor of Science in Business, Accounting and Finance, University of Minnesota

December 2016
